

Algonac Community Schools

Drafted 6.26.19

Statement of Mission

It is the mission of the Algonac Community Schools to deliver quality educational opportunities to learners of all aspirations and abilities.

Statement of Vision

The Algonac Community Schools' vision is to create an exemplary school district that is acknowledged for the diversity of its educational program, the quality of its staff, and the competence of its graduates.

School Board Goals

To enhance the School Board's capacity to govern and set policy by continuously learning

To maintain a collaborative decision-making environment

To assure that the school district continues to operate in a fiscally responsible manner

To conduct an annual self-evaluation of School Board effectiveness

To conduct an annual review the schools district's mission, vision, and goals

School District Goals

The Algonac Community Schools' Board of Education adopted the following goals on July 22, 2019. The goals are designed to continue providing the maximum educational return on the school district's resource investment.

To support all Algonac students as they prepare for a successful life

To recruit and retain dynamic staff members who are highly effective and continuous learners

To deliver a curriculum that is relevant to student success

To continue strengthening parent and community communication and engagement
